Announcement on Correction of the B-share Cash Option

Implementation Announcement

China International Marine Containers (Group) Co., Ltd. (hereinafter referred to as “the Company”) and all members of its Board of Directors hereby ensure that this announcement is factual, accurate and complete without any false information, misleading statement or material omission. And the English translation is for reference only.

On 19 Nov. 2012, the Company disclosed “China International Marine Containers (Group) Co., Ltd.—Suggestive Announcement on the B-share Cash Option Implementation”, in which “The date of record for the B-share cash options is the trading day before the share trading suspension.” within Item 3 under “Important Contents” is mistakenly stated. And the corrected version is as follows:

“3. If the listing committee of SEHK conditionally approves the Company’s H-share listing application, the Company will apply to Shenzhen Stock Exchange for suspending its B-share trading after it receives the official conditional approval document and discloses relevant information. The date of record for the B-share cash options is the third working day (T+3 Day) of the last trading day (T Day). Afterwards, the cash option distribution, exercise application, clearing and settlement of the Company’s B-shares will start. During the exercise application period, trading of the Company’s B-shares will be suspended.”

Our sincere apologies to investors.
