Independent Opinions on the Relevant Issues of the 19th Meeting of the 9th Session of the Board of Directors

In accordance with the *Company Law of the People's Republic of China*, *Rules for Independent Directors of Listed Companies*, and other laws, regulations and normative documents, as well as the *Articles of Association* and *Independent Director System*, we, as the independent directors of ADAMA Ltd. (hereinafter referred to as "Company"), give our independent opinions on the relevant proposals of the 19th Meeting of the 9th Session of the Board of Directors from the standpoint of independent judgment:

1. Independent Opinions on the Utilization of the Company's Capital for Non-Operating Purposes by the Controlling Shareholder and the Related Parties of the Company and External Guarantee Provided by the Company in 2022

(1) Utilization of the Company's Capital for Non-Operating Purposes by the Controlling Shareholder and the Related Parties of the Company

In 2022, the Controlling shareholder and related parties of the Company didn't utilize the Company's capital for non-operating purpose. The statement issued by Deloitte Touche Tohmatsu accurately reflected the above status.

Capitals transferred between the Company and its controlling shareholder and related parties in 2022 were the demands of normal business with fair price. The transactions followed the legal procedure and didn't harm the interests of the Company and its shareholders.

(2) External Guarantee

The Company strictly controlled the guarantees provided to others according to the relevant laws and regulations as well as the *Articles of Association of the*

Company. As of the date December 31, 2022, no guarantees were provided by the Company and/or its subsidiaries for the favor of entities not consolidated in the Company's financial statements. The balance of external guarantees was RMB 6,932,533,900, accounting for 29.98% of the latest audited net assets of the Company.

We are of the opinion that, the external guarantees provided by the Company followed the due procedure and didn't harm the interests of the Company and its shareholders, especially the minority shareholders.

2. Independent Opinions on the Engagement with Deloitte Touche Tohmatsu (special general partnership) for the Audit of 2023 Financial Statements and Internal Control of the Company

With the review of the relevant qualifications of Deloitte Touche Tohmatsu, we are of the opinion that Deloitte Touche Tohmatsu is qualified to independently provide audit services for a listed company and satisfy the work requirements of the Company.

We have pre-approved the proposal on the Engagement with an Audit Firm for the Audit of the Financial Statements and Internal Control of the Company before the meeting of the BOD. The deliberation procedures for engaging Deloitte Touche Tohmatsu is in line with the laws and regulations as well as the *Articles of Association of the Company*, and does not harm the interests of the Company and its shareholders. We approve to engage Deloitte Touche Tohmatsu for the Audit of 2023 Financial Statements and Internal Control of the Company.

3. Independent Opinion on the Pre-Plan of the 2022 Dividend Distribution

On the basis of 2,329,811,766 total outstanding shares of the Company as at February 28, 2023, the Company is to distribute RMB 0.27 (including tax) per 10 shares as cash dividend to all shareholders, resulting in a total cash dividend of RMB 62,904,917.68 (including tax). No shares shall be distributed as dividend and no reserve shall be transferred to equity capital.

The Pre-Plan of the 2022 Dividend Distribution is based on the Company's actual situation and business requirement, and is in line with *Company Law of the People's Republic of China*, *Chinese Enterprise Accounting Standards* and other related regulations. We agree the Pre-Plan of the 2022 Dividend Distribution.

4. Independent Opinion on the Expected Related Party Transactions in the Ordinary Course of Business in 2023

We have pre-approved the proposal on the Expected Related Party Transactions in the Ordinary Course of Business in 2023 before the meeting of the BOD. We are of the opinion that the related party transactions are the normal matters in the Company's operation. We agree to submit this proposal to the BOD meeting.

The related directors withdrew from the vote. This proposal has been passed by the non-related directors. The decision-making procedures for these related party transactions conform to the *Company Law of the People's Republic of China*, the *Rules of Shenzhen Stock Exchange for the Listing of Stocks*, the *Articles of Association* and other laws and regulations.

The Group's related-party transactions performed in the ordinary course of business are mainly to purchase or sell goods, materials and services from/to the related parties based on the principles of justice and fairness and the pricing standards consistent with those of non-related parties, in order to assist in capitalizing the Group's unique positioning and profile, achieve cost savings, increase sales, market share and drive its profitable growth. All such transactions shall conform to relevant national laws and regulations, as applicable, and the market-oriented principles, and shall not influence the independence of the Company or damage the interests of the Company and its other shareholders. The decision-making procedures for these related party transactions conform to the *Company Law of the People's Republic of China*, the *Rules of Shenzhen Stock Exchange for the Listing of Stocks*, the *Articles of Association* and other laws and regulations. We agree on this proposal and submit it to the General Meeting of Shareholders for deliberation.

5. Independent Opinion on the Self-Assessment Report on the 2022 Internal Control of the Company

According to the requirements of the *Basic Standards for Enterprise Internal Control* issued jointly by the Ministry of Finance and the Securities Regulatory Commission and the *Guidelines of Shenzhen Stock Exchange on Self-discipline Supervision of Listed Companies No.1 - Standardized Operation of Main Board Listed Companies* issued by the Shenzhen Stock Exchange, and in light of the actual situation of the Company, the Board of Directors of the Company reviewed and evaluated the effectiveness of the Company's internal control, and issued the Self-Assessment Report on the 2022 Internal Control. We are of the opinion that:

The Company has basically established the internal control system. In 2022, the Company improved the internal control system according to the actual operation status, so as to meet the requirements of relevant laws and regulations. The Company doesn't have material deficiency in the internal control mechanism and internal control policy. The Self-Assessment Report on the 2022 Internal Control conforms to the actual situation of internal control of the Company.

6. Independent Opinion on the Deposit of Funds (related-party transaction) with Finance Company

According to the *Guidelines of Shenzhen Stock Exchange on Self-discipline Supervision of Listed Companies No.1 - Standardized Operation of Main Board Listed Companies* and *Guidelines of Shenzhen Stock Exchange on Self-discipline Supervision of Listed Companies No.7 - Transactions and Related-party Transactions*, based on the Special Report issued by Deloitte, we are of the opinion that the deposit of funds and loans in ChemChina Finance Co., Ltd. and Sinochem Finance Co., Ltd. are fair and do not harm the interests of the Company and non-related shareholders.

7. Independent Opinion on the 2022 Risk Appraisal Report of Sinochem Finance Co., Ltd.

For securing the safety of the funds of the Company deposited in the finance company, the Company evaluated the business, qualifications, and the status of the risk of Sinochem Finance Co., Ltd., and issued a Risk Appraisal Report. We are of the opinion that:

(1) Sinochem Finance Co., Ltd. holds valid Finance License, Business License. China Banking Regulatory Commission strictly supervises the business scope, business procedures, internal risk control system of Sinochem Finance Co., Ltd..

(2) We did not find that Sinochem Finance Co., Ltd. has any significant defect in its risk management. Currently, the risk of the Company's related-party deposit in Sinochem Finance Co., Ltd. is controllable.

8. Independent Opinion on the Investment in Derivative Financial Instruments and Related Risk Controls

The derivative investments carried by the Company are for hedging and avoiding the risk of market fluctuations. The investments respond to the Company's routine business demands and are in accordance with the relevant laws and regulations. Additionally, the Company has adopted Currency Risk Hedging Policy to strengthen the risk management and control which benefit the Company's ability to decrease the market risk. The derivative investments do not harm the interest of the Company and its shareholders.

9. Independent Opinion on the Remuneration of Senior Executives

After deliberation, we hold the opinion that the remuneration of Senior Executives is made on the basis of the duty and actual performance of relevant personnel. The decision-making procedures follow the relevant laws, regulations and the Articles of Association of the Company, and are in line with the requirements of Company's development. It will not harm the interests of the Company and shareholders. Therefore, we approve the Proposal on the Remuneration of the Senior Executives.
